Og 118 Oganesson 294 u	House Rules 1. Texas Hold'em: 2 hole cards + 5 community cards. 2. Deck: 118 element cards (one of each symbol). 3. Best hand: choose 5 cards from your 7 available. 4. Showdown: highest total atomic mass (u) wins the pot. 5. Life-first: H, C, N, O, P (DNA) rank highest — argue with science.	Periodic Table Poker  periodictablepoker.com
